

It's winter here in Buenos Aires!

It has been a while since my last report. Nevertheless, God has continued moving among us, comforting us and calling us to love and serve one another with greater commitment in this time of need.

Latin American countries have not been vaccinating their population as quickly as the U.S. Our hospitals have been at capacity and many brothers and sisters with Covid have not been able to find hospital beds when needed. Please keep us in your prayers as we do our best to take care of one another in spite of vaccine shortages and a lack of quality health care.

Taking certain precautions, we are able to meet in small groups. Just recently we were able to return to in-person worship with masks.

I was invited once again to teach a three day workshop for the churches of Christ in Bolivia. This year I taught on the Psalms and the spirituality of the people of God. I am thankful that so many brothers and sisters long to deepen their knowledge of God's Word and prayer.

Meet Juan and Andrés. I took Juan and Andrés for Arabic food after a youth meeting in the park. One of the greatest joys of my work is teaching young people about following Jesus and spending time with them. Andrés is a Christian and Juan, his friend is not. Please keep both of them in your prayers as they grow in their knowledge of Jesus!

Recently our dear brother Calixto (the brother on the right) went to be with the Lord after struggling with Covid. Calixto was the preacher at the church of Christ Villa Pagador in Cochabamba, Bolivia. I learned so much from him and the way that He loved his brothers and sisters. Please keep his family and the church in Cochabamba in your prayers.

Please welcome our new brother Esteban to the family! He has been visiting our church for the past 7 years. We're so thankful he's persevered and finally decided to give His life to Christ! Please keep him in your prayers as He continues to grow.

One of the highlights of my work is making disciples. Sebastián, Anays and Vanessa are all dear to me. We meet on a regular basis to study the Gospel of Mark, to pray together and to encourage one another in our walk with Christ.

Thank you for your prayers and support of our work here in Buenos Aires during the pandemic. It is such a blessing to know I can count on you.

May God continue to richly bless you and your families.
